Q. 3. Comprehension.

Read the following passage carefully and do the activities given below.

On 10 April 1912, the largest luxury ship in the world set sail from Southampton in England to New York. She was called the Titanic. The word "titanic" means "huge". This was her maiden voyage, that is her first voyage. She set out to cross the Atlantic Ocean and she carried more than two thousand passengers. The Titanic was like a floating town.

Everyone called the Titanic the finest ship in the world. Everyone was proud of her. She was as tall as a building with fifteen storeys. Inside, she was like a large hotel with grand staircases, dining-rooms, shops and swimming pools.

Everyone thought that the Titanic could never sink. They called her the unsinkable ship. The ship's builders were so sure of this, that they put only a few life-boats on the ship.

The journey was very comfortable. The passengers were proud because they were travelling in the best ship in the world. They felt safe.

A) Answer the following.

Golden Chain
Friendship is a Golden chain,
The links our friends so dear,
And like a rare and precious jewel
It's treasured more each year...
It's clasped together firmly
With a love that's deep and true,
And it's rich with happy memories
And fond recollections, too....
Time can't destroy its beauty
For as long as memory lives,
Years can't erase the pleasure
That the joy of friendship gives...
For friendship is a priceless gift
That can't be bought or sold,
But to have an understanding friend
Is worth far more than gold....
And the golden chain of Friendship
Is a strong and blessed tie
Binding kindred hearts together
As the years go passing by
